Newsletter - January/February 2025

Welcome to 2025! Happy New Year to all our families! As we step into New Year, we are thrilled to embark on a new journey of learning and discovery with your children. January & February offer wonderful opportunities to explore the winter season and engage in enriching activities that inspire curiosity, creativity, and connection. From cozy storytelling sessions to creative arts and crafts inspired by snowflakes and frost, our programming is designed to keep children engaged and inspired. February is Black History month and its all about love and friendship.

We're also looking forward to nurturing friendships and building new skills as we continue to focus on each child's unique interests and development. Stay warm, and let's make this season one to remember!

Please feel free to reach out if you have any questions or suggestions!
