Important Friendly Reminder

Please ensure that all of your child's belongings, including clothing, bottles, and personal items, are clearly labeled with their name. This helps us to keep track of each child's belongings and prevent mix-ups. Please drop kids before 9:30 am as we go for nature walk to our great outdoors to learn about different plants and animals, and enjoy the beauty of nature. We will have Water Play Days where kids can cool off and have fun with water games and activities. Please remember to pack a swimsuit, towel, and sunscreen! (we will post on HiMama and if weather permits)

As we will be spending a lot of time outdoors, please ensure your child comes with sunscreen and a hat to protect them from the sun. With all the outdoor play and water activities, it's a good idea to pack an extra set of clothes for your child.

We are delighted to introduce our newest team member, Annie She has joined us as a Early Childhood Educator and brings a wealth of experience in early childhood education. We are excited to have Annie on board and look forward to the positive impact she will have on our daycare community.
